Hello Let's Play Everywhere LA grantees,

I'd like to extend an invitation to attend the launch of "Walk the K!" - one of the ten Let's Play Everywhere LA projects. The project brings together 19 professional sidewalk artists to create playful, inspirational art on the sidewalks surrounding the Los Angeles Unified School District (LAUSD)'s Kester Elementary School. The art highlights the sidewalks as a place to walk, exercise, and inspire play for Kester kids and the surrounding community.

This is a great opportunity to learn about what your peer grantees are working on and observe amazing examples of interactive, educational, and playful art!

The launch will take place Monday, Jan 8, 2018 at 12:30pm PST at the corner of Lemona St. and Weddington St. next to Kester Elementary School. Please see the attached press release or the project's Facebook page <https://www.facebook.com/WalkTheK2017/> for more information.

Thank you,
Ryan
